The Board has published the attached Federal Register notice providing interested parties with an opportunity to file amicus briefs related to one or more issues raised in the above captioned appeals. The Board will provide the parties in the above appeals with copies of the amicus briefs submitted in response to the notice. The parties are hereby advised, however, that the Board's regulations make no provision for a party to respond to an amicus brief or for the Board to consider such responses.

The parties are hereby provided with thirty (30) calendar days from the date of this order to file additional submissions with the Board in response to the attached Federal Register notice. In considering any additional submissions by the parties, the Board may limit its review to issues previously raised in the parties' petitions for review of the initial decisions in these appeals. 5 C.F.R. § 1201.114; Jackson v. Department of Transportation, 5 MSPB 95 (1981).

Parties in the above captioned appeals who decide to respond to this order must file their submissions, in duplicate, within the 30-day time limit, with the Secretary, Merit Systems Protection Board, 1120 Vermont Avenue, N.W. Washington, D.C. 20419, and the submissions must include proof of service on the opposing party.
